

ODOO DEVELOPER AGREEMENT (Remotely)

This Odoo Developer Agreement (the "Agreement") is entered into between _____ Hussein Kadweka _____, with an address of _____ Nairobi - Kenya _____ with id/Passport no. _____ 37822192 _____ (the "Client") and _____, with an address of _____, and id/Passport no _____ collectively "the Parties."

1. Project Description. The client wishes to hire an Odoo Developer. The specific requirements and the details as stated by the Client are as follows:

- i) Be able to know and understand odoo architecture and requirements
- ii) Be able to Create odoo modules and customize them to the required state
- ii) Be able to do odoo configuration of the base modules from scratch
- iii) Be able to connect external applications with odoo

2. Schedule: The parties agree to the following schedule for the odoo development roles.

- Build and customize odoo modules to the client's requirement
- Configure and deploy odoo modules of different versions whenever required
- Connect odoo with a third-party application to attain the requirement of the client
- Undertake any development role with the client that will be assigned to me so that we achieve the deliverables that the client intends to

3. Contract Length

- This contract will start on the date when the client signs it
- Either party may terminate the contract with 7 days' notice. In the event that the client terminates the contract, they are expected to pay one month's remuneration from the date of termination.

4. Payment. The Parties agree to the following Payment and Payment Terms:

- The consultant will receive a monthly net payment of 60,000 Kenyan Shillings to be paid by the third of every month for the previous month's work.

5. Confidentiality. During the course of this Agreement, it may be necessary for the Client to share proprietary information, including trade secrets, industry knowledge, and other confidential information, with the Developer in order for him to complete the odoo development tasks in their final form. The developer will not share any of this proprietary information at any time, even after the Agreement is fulfilled. The developer also will not use any of this proprietary information for his/her personal benefit at any time, even after the Agreement is fulfilled.

6. Ownership Rights. The client continues to own any and all proprietary information it shares with the Developer during the term of this Agreement for the purposes of the Project. The Developer has no rights to this proprietary information and may not use it except to complete the Project tasks. Upon completion of the Agreement, the Client will own the final product.

7. Representations and Warranties Designer. The Developer represents and warrants that he/she has the right to enter into and perform this Agreement. The client represents and warrants that it has the right to use any proprietary information, including, but not limited to trade secrets, trademarks, logos, copyrights, images, data, figures, content, and the like that it may provide to the Developer to be included in the development. In the event that the Client does not have these rights, the Client will repay any associated damages the developer may experience or will take responsibility so that he does not experience any damage.

8. Disclaimer of Warranties. The developer shall develop and customize odoo modules for the Client's purposes and to the Client's specifications. THE DEVELOPER DOES NOT REPRESENT OR WARRANT THAT SAID ODOO MODULES WILL CREATE ADDITIONAL PROFITS, SALES, EXPOSURE, BRAND RECOGNITION, OR THE LIKE.

9. Legal Fees. In the event of a dispute resulting in legal action, the successful party will be entitled to its legal fees, including, but not limited to its attorneys' fees.

10. Legal and Binding Agreement. This Agreement is legal and binding between the Parties as stated above. This Agreement may be entered into and is legal and binding both in Kenya. The Parties each represent that they have the authority to enter into this Agreement. The Parties agree to the terms and conditions set forth above as demonstrated by their signatures as follows:
